New buses with 7-inch Luminator and Twin Vision signs are equipped with the capability of displaying public relations (P/R) messages in addition to regular destination sign readings.

The code numbers for these messages are listed below. The P/R messages should only be displayed when instructed by:

1. Notices posted on the division bulletin board by the Division Instructors.
2. An Operations General Notice or a Scheduling Department Temporary letter (Pink Letter), or
3. A Transit Operations Supervisor, Instructor or Radio Dispatcher.

The instructions will indicate when to display the message if it is determined that the P/R message should not be displayed on all trips nor at all times.

The messages can be displayed on the Headsign using the following procedure:

1. Press the "P/R" button
2. Enter Desired Code Number
3. Press enter

To cancel a P/R message, repeat procedure but substitute "0" for code number.
